YOUTH'S ARREST IN NILES SOLVES SEVERAL CRIMES

An exciting bit of sleuthing by three deputy sheriffs and a Niles business man resulted Tuesday in the capture of Robert Lee McFarren, youthful burglar. The arrest solves three recent crimes in the township.

McFarren, 18, was reported to Deputy Sheriff Henry Vervais as a suspect following an attempted burglary of McDee's jewelry store Friday night, and the burglarizing of Solon's service station Saturday night.

STEALS ACCESSORIES

He had stolen a spotlight, set of tire rims, a fog light, reflectors —and 25 pennies from the service station. Entry was gained by breaking the glass in the front door.

Officers Vervais, Bob Moore and Pete Prouty took up the burglar's trail about 10 o'clock Tuesday morning. Search of the railroad car where McFarren lived with a Southern Pacific crew on the railroad siding at Niles was without success.

MUSGROVE HELPS

During the search, John Musgrove, who operates a service station on East First Street was asked to watch for a man answering McFarren's description.

About 3:30 that afternoon Musgrove saw a young man hurry behind his service station rather suspiciously. He asked a customer to wait a minute and took off in pursuit.

The three officers, who had been waiting in the vicinity, joined the chase. Musgrove called to the fleeing man to stop, telling him he didn't have a chance.

Out of breath, the fugitive halted and gave up rather docilely.

As well as the two Niles jobs, young McFarren admitted having broken into Sam Dinsmore's grocery store in Alvarado on April 18, and the theft of an automobile.

He is being held in the Hayward jail.

NILES SPORT SHOP IS BURGLARIZED

The Frick Sport Shop in Niles was burglarized Wednesday night and a .22 pistol stolen, it was reported to the sheriff's office yesterday.

Entry was made through a skylight, according to Jim Fitzhugh, manager of the store.

The store was burglarized last January, when several guns were stolen, and it is regarded as probable that the crime this week week was committed by the same person.

The injured man was taken by ambulance to Fairmont Hospital.

NEW COLMA MILL DAMAGED BY FIRE

A fire which caused damage estimated at more than $30,000 was brought under quick control by the Decoto Fire Department early last Saturday morning.

The flames were discovered by Mr. Parks, night watchman, who turned in the alarm. Cause of the conflagration is not known, although it was believed to have started by spontaneous combustion in a pile of oil-soaked sawdust.

This is the first time, according to Fire Chief Roland Bendel, that Decoto's new high-pressure water system was used. The fire chief commended his 18 firemen who brought the flames under control.

FIRE DEPARTMENT WILL HAVE RADIOS

The Newark Fire District will be the first in Washington Township to install three-way radio units in fire trucks, according to Chief Joe Pashote.

Following a demonstration by representatives of the sheriff's office here this week, Newark fire commissioners authorized orders for two units, one for each fire truck. The cost is estimated at about $1200 and delivery is expected in about 60 days from an eastern concern.

The three-way unit enables fire trucks to communicate with each other, to receive from and send messages to sheriff's cars and others equipped with shortwave radio receivers.

Washington High Pitcher Is All-Star Team Selection

Gene Bramwell, Washington High hurler who has pitched the Huskies through one of their most successful baseball seasons, this week was selected for "all-around" position on the Post-Enquirer All-City team. This is the first time that Washington High will be represented in the baseball classic.

Remarking on Bramwell's selection, the Oakland Post-Enquirer said Tuesday:

"The Huskies are now streaking down the finish line in one of their greatest baseball years. And Bramwell, despite a great handicap, is one of the reasons Washington is heading the pack.

LOST FINGER

"In the middle of last basketball season, Bramwell was injured in a school printing press accident, and was forced to have the middle finger of his right (throwing) hand—severed at the second knuckle.

"He is one of the main-stays of the Huskie pitching staff, plays infield and outfield. In short, he is an all-around star, capable of stepping in at any position when needed."

Bramwell will play at the Oaks ball park on Saturday, May 28, in a game between All-City and All-County teams. The event is co-sponsored by the American Legion.

This All-Star game will yield two high school ball players who will be sent on an all-expense paid trip to New York in August to play in the National Baseball Championships at the Polo Grounds.

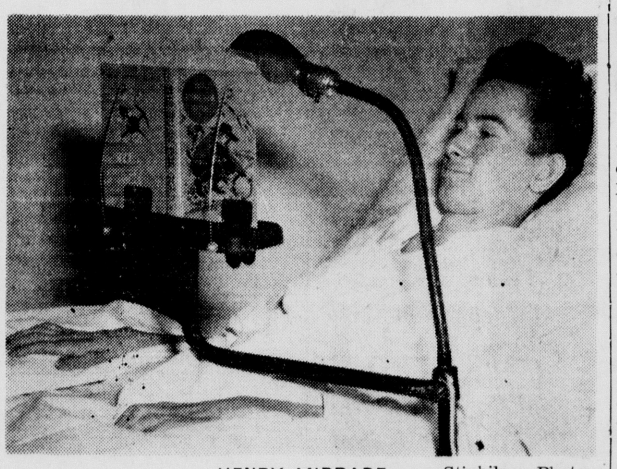
POLIO FOUNDATION LENDS ASSISTANCE



HENRY ANDRADE —Stinhilver Photo

This won't be a sob story about 17-year-old Henry Andrade of Alvarado—for he wouldn't want it that way—but rather it will be a straightforward report of what the Infantile Paralysis Foundation has done for a boy living right in our own Washington Township, and of the heart-warming gratitude of this boy's parents for help and assistance during what has been the most tragic months of their lives.

Today, Friday the thirteenth, is Henry's birthday. He was born on another Friday the thirteenth just 17 years ago. But that doesn't scare Henry. He knows that his toughest luck has already happened and that from now on things can only get better.

You see, Henry is almost completely paralyzed, but he's just as determined as are his parents that by dint of sheer will and the proper kind of exercises and care that he will be able to use his lifeless arms and legs again.

Henry, a junior at Washington Union High School, was stricken last November 11 following close on the heels of an attack of the flu from which he didn't completely recover. "I guess I shouldn't have gone back to school so soon," he said ruefully. "One afternoon I played football without a shirt on. I suppose my resistance was kind of low, and—" he closed his eyes for a moment, as though to shut out the memory.

Henry is a bright-eyed boy with an engaging grin and a shock of auburn hair. Last week the polio foundation sent him a reading rack, so now he can while away a few of the long hours by reading. The rest of the time is taken up with exercises on a traction built for him by his father, Mr. Henry Andrade Sr. His father and mother both help him with his exercises, which are designed to bring life back into the paralyzed muscles.

Also assisting in the care of Henry is a practical nurse who was sent to the Andrade home by the Polio Foundation in Oakland. And once a week a physio-therapist comes to see Henry to oversee his exercises. She, too, is sent by the Foundation. And the high school

GROWERS SEEK TO IMPROVE QUALITY

Appointment of a committee of three growers to act with a similar committee of packers, was set up last week to draft a state and federal marketing agreement program to control the quality of dried apricots. Decision to establish the committee was made at a meeting of the apricot section of the Farm Bureau.

The committee will meet with representatives of the College of Agriculture of the University of California to determine research needs of the apricot industry.

Canners present at the meeting indicated confidence that the quality of canned apricots will be improved in 1949. Growers were in agreement with this attempt. Both groups agreed to work together for quality improvement

It was unanimously agreed that the competitive factor alone can not control the quality of dried apricots and that quality improvement must come before a trade promotional program.

County-wide District Gains Support Here

Endorsement of the proposed County-wide Flood Control and Water Conservation District was voted this week by both the Niles and Centerville Chambers of Commerce.

Action by the Niles Chamber was taken at its regular meeting Tuesday. The proposal, which is now in the state legislature in Assembly Bill 1431, was explained by L. R. Batman, who then made a motion for endorsement... The vote was unanimous.

Last week the Centerville Chamber of Commerce appointed a committee to study the legislative measure. Allan Walton reported at Wednesday's meeting that amendments had been suggested which will make the proposal satisfactory to directors of the Alameda County Water District.

Supervisor Stanley, a guest at the meeting, stated that the Board of Supervisors were recommending four of the district's five proposed amendments.

Upon Walton's motion, endorsement of the district was voted unanimously.

Supervisor Stanley explained that such a district is essential in protecting the water interests of Alameda County. Presently the county has only road funds for drainage and none whatsoever for water conservation.

The supervisor said that under the proposal as revised there will be an advisory board of 15, which would be appointed by the county board of supervisors. Six of these board members would be from the incorporated areas of the county, and nine from the unincorporated area.

As originally proposed, the plan for a county-fide district met with little support and confronted some opposition. Most objections had to do with the placing of no tax limit for the district and with its administration.

Under the leadership of W. D. Patterson, president of the Alameda County Water District, and Atty. William White of the Eden Water District, a committee worked out suggested revisions of the proposed legislation.

The acceptance of these by the county supervisors, sponsors of the legislation, leave no objection and virtually assures passage of the measure.

CHAMBER SUPPORTS SOUTH CROSSING

In the midst of hot arguments from one side of San Francisco Bay to the other regarding the merits of the parallel bridge versus the southern crossing, the Niles Chamber of Commerce again voted its endorsement of the southern crossing.

This week's action was the local chamber's third endorsement of the southern crossing. Dr. T. C. Wilson made the motion for endorsement after stating that selfish attitudes of certain newspapers and groups of business property owners in San Francisco and Oakland were considering their own interests rather than the public interest in advocating a parallel crossing.

It has been the view of the Niles Chamber that the southern crossing would relieve traffic congestion in the two large bay cities and promote the development of southern Alameda County.

The meeting was conducted by President John Brahmst.

HIGH CHATTER

By MARGARET COLE

There's no doubt about "Best Foot Forward" being "one of the greatest Senior plays ever put on at Washington High." (Mrs. Hartsog says so.) It's an assertion borne out by the reception given by the student body to the "teasers" shown last Thursday. The casting is so good that one would think that the play had been tailor-made for our particular group of gifted Seniors. Appropriately enough, "Moose" of the expansive personality and Dolly of the golden speaking voice have the largest parts. On account of Miss Hartsog's rigid "exclusion from rehearsals" policy, it's quite possible that a pre-review like this will lack mention of some notable acting, but judging from the "teasers" I should say that Joan Halliwell as the chaperone and Elaine Joseph as the gum-chewing co-ed are outstanding. Another thing I can't wait to find out is what led up to Bob Lizardo's heart-breaking line, "Nobody ever cuts in on Ethel." Great things are expected of Mel Lewis playing the newspaper photographer who has a genius for complicating already confused situations.

It comes as a blow when you realize that all those popular, prominent kids in the play will not be with us next year. Imagine a presentation without Sal's stage management, assemblies without Mel, Elaine, Bob, etc., and what will happen to the football squad doesn't bear thinking of.

The whole class went to San Jose State last Wednesday and visited the classes in which they were particularly interested. A number of girls were entertained at sorority houses and all enjoyed the modern dance exhibition in the gym. It was a grand chance to acquaint themselves with the facilities of the college and was altogether such an enjoyable trip that it probably induced several to enroll, come what may.

400 IN DANCE FESTIVAL HERE NEXT TUESDAY

In a program which was originated at the Centerville Elementary School last year, 400 boys and girls from 10 Southern Alameda County public schools are expected to take part in a folk dance festival at the Washington Union High School on Tuesday, May 17, at 2 p.m.

Mrs. Alice Lambrecht of Centerville, Mrs. Shirley Liston of Decoto and Miss Charlotte Sandorf of Irvington, all teachers, comprise the committee in charge of the program. The participants will be served refreshments by the P.T.A.'s, Centerville Elementary School being the hostess group. The public is invited to see the dancing.

Because of the enthusiasm of the students of the Centerville School last year, when 150 girls from neighboring schools joined in a dance festival, it is being repeated this year, according to Principal Tom Maloney.

Other schools to be included this year are Alviso, Alvarado, Centerville, Decoto, Irvington, Mt. Eden, Niles, Warm Springs, Valle Vista and Bret Harte. Seventh and eighth grades only are eligible.

Each school will present its own dance but all will join in the Mexican waltzes, Korobuscha, La Raspa, wooden shoes, California schottische, Narcissus and Kalevalis. New dances will be taught to the various groups.

JOAN MAY PESSAGNO —Stinhilver Photo

This pensive little lady is Joan May Pessagno, daughter of Mr. and Mrs. Gene Pessagno of Niles. She doesn't look too happy at the moment, but that's probably because she thought Mr. Stinhilver, the photographer, was the doctor!

If this picture was in color, you'd have to exclaim over her lovely blue eyes. They will undoubtedly be used to good advantage when she is about eighteen!

Joan's favorite occupation is scrambling the silverware when her mother sets the table. She thinks that all silverware should be deposited in drinking glasses and has taken it upon herself to perform this worthy deed with dutiful regularity.

As for eating, Joan has a healthy appetite for color crayons! She'll chew one every time she gets the opportunity.

Joan's grandparents are Mr. Joseph Pessagno of Niles and Mr. and Mrs. A. Padreddi of South San Francisco.

CANYON HEIGHTS

NOVEL EXPEDITION

Chief Warrant Officer Harter left last Tuesday for Stockton where arrangements are being made for outfitting his naval cargo vessel which will sail from San Diego shortly. This trip promises to be something most interesting and unusual, it's purpose being the replenishing of supplies at Point Barrow in Alaska. Point Barrow, in the Arctic Circle, is icebound for all but five days during the year. The vessel will wait for weather reports at Seattle and at the right time will head for Point Barrow, unload and get out fast.

AT LLOYD HOME

Guests at the Lloyd home on Stenhammer Drive this week are Miss Ann Huyduck from Pennsylvania and Edward Volkman from San Joaquin.

CONGRATULATIONS

Congratulations to John and Virginia Musgrove! Ronald Martin Musgrove weighed in at eight pounds on Saturday morning at the Alameda Hospital.

MORE!

More congratulations! Mr. and Mrs. Woodrow Nickel are happy to announce the birth of a son, Jack Allen. The young man was born at Alameda Hospital on Tuesday morning.

WHEW!

Den Three of the Niles Cub Pack had a hike and weiner roast on Wednesday, the hard way! At least it was hard for den mothers, Bernice White and Jessie Cole who, if they had known it involved walking the aqueduct with sheer drops on either side and scrambling down precipitous slopes with only clumps of poison oak as brakes, would have gone by car. The Cubs and the Scout Denner, Billy Powell, enjoyed themselves immensely, their only regret being that they did not have a camera along to snap pictures of the ladies at some of the more difficult hazards. Mrs. White and Mrs. Cole on being interviewed said, and I quote, WHEW! unquote.

BECKWAYS GUEST

On Sunday the Ed Beckways entertained Dr. Newman of Oakland. Dr. Newman is one of Mr. Beckway's instructors at the College of Chiropractic in Oakland.

SUNDAY GUESTS

Mr. and Mrs. Norman Vanier of Oakland and Mrs. Eva Marshall of Sacramento spent Sunday with the Gordon Marshalls of Deer Road. Mrs. Marshall has been visiting her daughter in Oakland and will return shortly to Sacramento.

Twenty-seven friends and relatives were gathered to wish good luck to the James, who on Thursday, left for Washington where they will make their home. Mrs. James was presented with a most delightful farewell gift, a dinner cloth, napkins and other table accessories.

FROM COLORADO

Jack Spence of Colorado is spending a few weeks with his sister, Mrs. R. D. Burnett of Canyon Heights Drive.

WHILE THE COAST SLEEPS

Hundreds of telephone people in the West keep night patrol to help meet emergencies and keep service reliable

1. **Darkness can't stop** these telephone men as they begin an important emergency cable repair at night. Fortunately, these emergencies are not common . . . usually can be repaired in daylight. But, up and down the Coast, other telephone people burn midnight oil regularly . . . so your telephone will work for you when you want it.

2. **One important night-time** job is done by this electronic tester. It checks lines to make sure they're in good shape. At the same time, other telephone men are vacuum cleaning and inspecting sensitive switching equipment . . . you might say it's stopping trouble before it starts. And night is the best time to do it, while most telephone users are sleeping.

3. **In the quiet hours of the night** operators handle relatively few calls . . . but many of them are vitally important. Repairmen are on call for service on important lines . . . doctors, hospitals and the like. Garagemen check and equip trucks for the next day's installation rounds. Building service workers make offices spic and span . . . all a part of providing reliable service to you.

4. **You can help** yourself get the most from your telephone . . . a servant that is constantly growing in value. You can do it by using the telephone in the most efficient way: being sure of the right number before you call . . . giving the called person plenty of time to get to the telephone . . . spacing your calls so others may get a call through to you.

MISSION SAN JOSE NEWS

By LOIS BOTTENBERG

Lois Bottenberg

EVENTFUL LIFE ENDS

Suddenly, after 96 eventful and busy years, one of our old timers, James W. Nelson, father of Mrs. Margaret Bunting, of the Mission Hereford Ranch was called to his last reward on Thursday last. He had lived in San Jose for the past 20 years with his daughter and in the past two years they have been making their home here on the ranch. His daily routine was a long hike from the house to the main highway, a distance of nearly two miles. Last year he and Mrs. Bunting had made a trip to Crisfield, Maryland, where they spent a time visiting relatives and former neighbors and only a matter of weeks ago he had made a trip to Los Angeles. His passing was sudden as he was only ill a few days. He will be missed by all who knew him.

WED IN LOS BANOS

May 7 at Los Banos, one of our home town boys, Henry Silva, became a bridegroom at the Catholic Church where he took as his bride Miss Ann Failho of that city. They were married at the early morning mass with relatives and friends of the bride present and the following folks from the Mission. Mr. and Mrs. Matt Silva, mother and father of "Hank," and sister Marie; Mary Edith, Herbert Eddy Santos, Jack Scott, Jean Neeley and Betty and Elmo Andrade. "Hank" is a graduate of the local schools and is employed by the Southern Pacific Railroad. They will make their home in Irvington.

BIG SUCCESS

The dance held by the I.D.E.S. hall in Mission by the Mothers' Club as a benefit for the school patrol uniforms was really lots of fun for every one entered into the spirit of the affair in jeans and cotton dresses, a regular barn scene on the stage and plenty of folk dances and modern to suit the taste of every one. Doughnuts, coffee and soft drinks were served during the evening. Let's try it again sometime.

A SHOCK

Coming as a shock and surprise was the sudden passing from a heart attack of Lottie Vallera of Dos Palos. She was the sister of Mrs. Maude Dutra and had only returned home the week before from a two weeks' vacation here with all the relatives.

BEAUTIFUL SIGHT

Last Sunday, Mother's Day, was one to be remembered by many of the youngsters and a few oldsters also, for it was their confirmation it was a beautiful sight to see everyone dressed in white, parading across the Old Mission Porch. The Archbishop was assisted by Reverend Leal in the ceremony.

ON MOTHER'S DAY

Mrs. Hannah Rose of the Mission motored to San Leandro on Saturday to spend the week-end with her grandson, Wynn Buck, and mommie and daddy. A lovely Mother's Day dinner was enjoyed by all.

MOVE TO HAYWARD

Imagine my surprise when some one came to the P. O. and asked if I knew the Sullivans had moved. Here I am almost directly across the street from them and I did not know about it. Mr. and Mrs. Michael Sullivan have moved to Hayward to her home. She is the former Buelah Banta of that city.

HURRIED TRIP

Friends of Mr. and Mrs. A. F. Peterson, the former Edna Darrow, who now make their home in Campbell, will be sorry to hear that Mrs. Peterson was called to Minneapolis, Minnesota, a week or so ago as her mother had been struck by a car and was in very serious condition. She and Mr. Peterson flew back and he returned later to his work here.

HOME AGAIN

Mrs. Joseph Azevada has made her third trip to the hospital in the past three years and is now home and coming along nicely under the nursing care of her family.

FROM OGDEN

Mr. and Mrs. William R. Martin of Ogden, Utah, arrived in the Mission the other day and spent a few hours with the Marvin Loftons. Mr. Martin is a brother of Janie Mrs. Lofton.

A SURPRISE!

Gee what a surprise! Leo Denny, a former employee of Reverend Leal, was in town for a few moments one day last week and boy! he was driving a nice new car. He now makes his home in San Jose. He saw Teddy and Regina while here.

CELEBRATING

Mrs. Herman Medeiros—Bev to all her friends—is now a grown lady. Twenty-one to be exact. Last week one evening she and Herman were guests at the home of her mother where Robert Baker was also a guest. Following a delicious dinner, they took in a movie. I hear tell that she also had a bit of a party at her in-laws' home, the Larry Medeiros, the day before. Right?

FAREWELL PARTY

Recently the A. R. Thompsons on Ellsworth Street were hosts to a number of their San Jose friends at a luncheon. It was a going-away party for Mr. and Mrs. Palmer and daughter, Laurie, who are leaving to make their home in North Dakota. The rest of the guests were: Gayle Burk, Mabel Briggs, Mildred Wood, and the Thompsons.

PRE-SCHOOLERS MAY REGISTER AT ALVARADO

Les Maffey, principal of the Alvarado School, announced this week that pre-school registration for children entering kindergarten or the first grade next fall, will take place all next week at the school, May 16 through May 20. The hours for registration are 9 to 3:30.

Maffey stated that it is not necessary for the mothers to bring the children. He did suggest, however, that the children's birth certificates be brought.

PAST PRESIDENTS MEET

The Past Presidents of St. Jude, Y.L.I., met at the home of Esther Rogers for their regular meeting on May 2. On May 8, the organization served 65 children at breakfast, following communion.

Sir Isaac Newton was a poor student as a young boy.

TOWNSHIP SCHOOLS START BICYCLE SAFETY CAMPAIGN

Washington Township's first bicycle registration bureau has been set up this week in a "Safety on Wheels" program sponsored by the Alameda County public schools administration, the California Highway Patrol and the Centerville Lions Club.

Every pupil enrolled in the nine elementary schools of Washington Township is being asked to file at his school a detailed record of his bicycle.

These records include information regarding the owner, frame number and private marks on bicycle, types of parts and license number where available. Such records are expected to assist in recovery of lost or stolen bicycles.

Six-page folders prepared under the direction of Colonel Adams, director of attendance and safety education for the Alameda County Public Schools office, and County Superintendent Vaughn Seidel have been distributed along with the showing of motion pictures by the California Highway Patrol.

The folders include the bicycle record, 20 rules for riding a bicycle safely, the section of the vehicle code of California as relates to bicycles and a note to parents regarding the adult's responsibility.

Rabbits breed from four to eight times a year.

ALL NEED IT!

Young people going away on wedding trips . . . younger people coming home from school . . . older people planning vacations . . . anybody taking their belongings anywhere away from home . . . all need Personal Effects Insurance. It costs very little — and may mean a lot to you.

By ETHEL AVILLA

After enjoying a delicious luncheon at the home of Mrs. Katherine Goulart Wednesday, May 4, the Decoto Discussion Group studied the merits of Katherine Pinkerton's travel book, "Three's a Crew."

Mrs. Pinkerton made a clever use of adjectives in her descriptions of their travels in a small boat manned only by Mr. Pinkerton, their small daughter, Bobs, and herself. They cruised up and down the Northwest Pacific coast exploring the innermost regions of Knights and Seymour Inlets, visiting primitive Indian settlements seldom seen by tourists. They made friends with the villagers and Indians during their stops and made many return visits for dinners and parties on their cruise home.

"Road to Survival" by William Vogt, will be studied for the June meeting. Mrs. Clifford Johnson will be the leader and Mrs. Florence Wallace the hostess.

Novel Shower

Something novel in the way of showers was given last Friday afternoon by Mrs. Howard Overacker and Mrs. George Coefield at the former's home in Mission San Jose. The shower, which followed a luncheon, was for Mrs. Tom Robbins who recently took eight-year-old Larry into the Robbins home as a "big" brother for seven-year-old Richard Robbins. Mrs. Robbins received many gifts for Larry which should be the delight of an eight-year-old boy.

Those present were Mmes. Earl Mackintosh, Kenneth Foster, Glen Jones, James Emerson, W. F. Lamoreux, John Whipple, L. R. Batman, the two hostesses, and the guest of honor.

Bridge Party

Mrs. John Rathbone was guest of honor at a bridge party given by Mrs. Lester Mann at her home in Niles last Thursday evening. The other guests were Masdames Edgar Van Scoy, E. M. Grimmer Jr., Harold Janssen, Karl Nordvik, Arthur Belshaw and Daniel Briggs.

New Residents

Mr. and Mrs. H. W. Heer, formerly of Oakland, moved to Niles this week, into their new home on Morrison Avenue.

Oakland Guests

Mr. and Mrs. Maurice O'Brien of Niles entertained Mr. and Mrs. Carl Francee of Oakland on Mother's Day.

Say you saw it in The Register.

Little seven-year-old Sharon Smith danced and sang "Powder Your Face with Sunshine" and "School Days," and was very cute. She is a junior member of the Warm Springs Council, as her mother, Mrs. Beatrice Smith, and her grandmother, Mrs. Mary Smith, are both members.

Gifts were given to Mrs. George by both councils. A "Dime March" was held, the award, a pair of pillow cases donated by Mrs. George, going to Norma Silva.

There were about 50 guests besides a large number of members from this council. Refreshments consisted of salad, cold cuts, home made cake and coffee.

COUNTY WILL BUILD NEW FIRE HOUSE

Alameda County will build a new fire house at Livermore to be used for storing county fire fighting equipment and also provide quarters for personnel in the employ of the county as fire fighters.

The State of California will assume half the cost of building the $40,000 edifice, according to Supervisor Chester Stanley. Plans have been prepared by Andrew Haas, well known architect who has made plans for many of the county buildings.

HAS BEST FOOD IN THE STATE

By EVA O'MALIA

The regular meeting of the Warm Springs Women's Club was held Thursday afternoon, May 5, in the school cafeteria.

Miss Isabel Moseley, principal, announced that a state nutrition expert had examined the cafeteria records and menus and found that the food served at the Warm Springs School had the highest nutritional value on all counts of any school in the state. Mrs. Minnie Wagner, cafeteria supervisor, was roundly applauded for her very capable handling of the school cafeteria in its first year of operation.

Miss Moseley also announced that the Catholic students would no longer receive religious instruction at the I.D.E.S. Ranch but would go to the old Santos place below Wagner's Service Station. The California State Highway Patrol will escort the children along the highway.

Mrs. Virginia Niedt, primary teacher, announced that the sixth, seventh and eighth grades were making plans for a "Forty-Niner" pie supper to be held May 14 in the school auditorium, for the purpose of raising funds for the Student Body Fund.

There will be numerous and varied attractions and entertainment. The "Forty-Niner" theme will be carried out as much as possible. Refreshments will be served. The public is invited. Admission: men free, ladies a pie.

DAY BY DAY IN DECOTO

By GRACE CAMINADA

Mr. and Mrs. Vince Russitano and children are the guests of Mr. and Mrs. Frank Scorpiniti. The Russitanos, formerly of Marysville, will be here for an indefinite period.

FRUITLESS TRIP

Although the ride was long and tiresome, it would have been better if it brought forth some results. Mr. C. Ferreria and son, Joseph, together with Mr. O. Bassignani of Centerville, left last Saturday at 5 a.m. for Jackson to pick mushrooms. But on their arrival there found none due to the lack of rain. After arriving home, all retired for a few hours' sleep.

HOT TIP

Received a hot tip from an anonymous person who tells Al Faletti purchased a 1932 Studebaker and promises to bring his friends to the baseball game in it. By the way, he is also the owner of a 1949 automobile also.

GOOD WISHES

Sorry to hear Mrs. Manuel Muniz is having trouble with her back. Hope she recovers soon.

FIRST HAIRCUT

Little Walter Cambra departed from his golden locks last Saturday when he received his first haircut. Too bad you weren't a girl, Walter, then you could have kept those nice curls.

ROSES FROM OHIO

Mrs. Henry Hernandez was deeply pleased last Sunday when a florist appeared at her door and presented her with two dozen roses wired to her by her son, Sgt. Harvey Hernandez, who is stationed in Dayton, Ohio.

PINOCHLE CLUB

Mr. and Mrs. Ken Morgan entertained at the home of Mr. and Mrs. Don Morgan of San Lorenzo last Saturday night for the Pinochle Club. Sixteen hands were played with Jim Lane the highest scorer, Mrs. J. Lane the second, Mrs. J. Morgan third, and the lowest score to John Mara.

Mr. and Mrs. Don Morgan, Mrs. J. Morgan, Mr. and Mrs. A. L. Costa, Mr. and Mrs. John Mara, Mr. and Mrs. Lester Watkins and Mrs. Florence Wallace were present. Mr. and Mrs. J. Lane of San Lorenzo were guests of the evening. Delicious refreshments were served by the host and hostess. The next meeting will be held at the home of Mr. and Mrs. Jim Parks of Decoto.

IN MADRONE

Mr. and Mrs. "Dutchie" Re spent the week-end at Madrone with relatives.

NEW CAR

Mr. and Mrs. Vernon Carey Sr. sold the 1937 car several months ago to Tillie Silva expecting a new car any day. Time went by and finally last Tuesday night their 1949 automobile arrived. Both are thrilled about it.

CONGRATULATIONS

Mrs. Ella Brown, formerly of Decoto, now of Hayward, should indeed be congratulated on the fine work she did in decorating the Holy Rosary Church last Sunday in observance of Mother's Day and Holy Communion.

IN A WHIRL

Seems as if Mrs. Vernon Carey Sr. has been doing a bit of entertaining lately. Last Saturday she had Mr. and Mrs. Jamesion (Sadie Rosa) and Mr. and Mrs. James Muniz, all of Oakland, for a sea food dinner. Last Sunday she was presented with gifts from her son and wife, Mr. and Mrs. Vernon Carey Jr. of Niles, and her daughter and husband, Mr. and Mrs. Dale Dias of Sunnyvale, and together with Mr. Carey and Mrs. Elsie Brown, all attended the zoo in Oakland and then returned to a delicious dinner in Hayward. Last Monday night both Mrs. Carey and Mrs. Brown motored to Redwood City to pick up a car which Mrs. Brown is purchasing from her sister. Say, that's being kept in a twirl, isn't it?

FROM LUZON

Lt. and Mrs. Tony Silva are visiting relatives here after their arrival from Luzon. Mrs. Silva is the daughter of Mrs. Vernon Carey Jr. of Niles.

TO CONCORD

Mr. and Mrs. Lester Mederos and sons, and Mr. and Mrs. Earl Mederos and son motored to Concord to visit Mrs. Helen Rose and family.

MOTHER'S DAY

Mr. and Mrs. Manuel White had a very delicious dinner at Hayward in observance of Mother's Day.

HOLY GHOST

I see where many people from here are looking forward to the Holy Ghost at Alvarado next Saturday and Sunday.

HOLY COMMUNION

The Holy Communion Class was the center of attraction last Sunday at the Holy Rosary Church in Decoto. Manuel Seoane carried the crown of roses for the Statue of the Blessed Virgin Mary on a silver tray and Rosalinda and Delphina Castro held the blue ribbons attached to the tray. Bertha Hernandez was the queen, and Beatrice Lerma and Virginia Estrella the attendants. The rest of the class members were: Donald Martin, Herbert Flores, Martin Cervantes, Robert Delgado, Edward Bettencourt, Mario Yanez, Concepcion Trevino, Alfred Alvarez, Manuel Hidalgo, Jose Reina, Guadelupe Lozano, Arthur Renteria, James Costa, Ben Godeniz, Alfred Anchundo, Joseph Candelaria, Alvino Estrella, James Lozano, Joseph Andrade, Richard Gudino, Manuel Seoane, Donald Delgado, Mary Castro, Delphina Castro, Olivia Leyva, Pedra Rojas, Nancy Rojas, Mary Ellen Lerma, Armida Triana, Margaret Berrios, Beatrice Morena, Rosemary Perez, Beatrice Belmares, Amelia Santiago, Virginia Montellano, Helen Alvarez, Teresa Hernandez, Esther Chavez, Ramona Chavez, Mary Martinez, Rachael Moralez and Madeline Hernandez.

OFF TO OHIO

Genney Gurdi of San Jose, who is employed at the Faletti Service Station and Fountain, has left for Columbus, Ohio, to participate at the Grand National Bowling Tournament. Miss Gurdi bowls under the name of Ginny Sunday and is sponsored by the Texaco Oil Company and by A. E. Faletti and bowls under the Decoto Service Station name. She has been bowling quite a number of years in the San Jose tournaments. We hope Ginney the best of lunck.

IN CUPERTINO

Mr. and Mrs. Manuel Hidalgo and family spent Sunday with Mr. Hidalgo's mother in Cupertino. After dinner they took in a show in Mt. View. This is one of the few Sundays off for the Hidalgos as they are rather busy at their Variety Store and fountain.

PLEASANT DAY

Joe Gonzales, his wife and sons spent Sunday in San Francisco. Riding along Fisherman's Wharf, an appetite was aroused and so all put away a delicious dinner which was topped off with a show.

CHANGE OF ROUTINE

Mr. Ernest Perry of the Creek Road, who is field man and buyer for the Marlo Packing Company in Decoto, decided to change his routine of driving all over the countryside buying vegetables and decided to stay home and cultivate his sugar beets and enjoy the delicious dinner cooked by his wife.

A LOT OF BEANS!

The Marlo Packing Company is packing a 17,000-case order of white beans in sauce for the government. They have been working double shifts and expect to continue for several more weeks.

LETTUCE SHIPPED

J. T. Stevenson's packing shed which he recently acquired, is now starting to ship lettuce. He expects to continue to ship lettuce to eastern markets for a few more months.

WATCH THE OAKS

Last Thursday night, May 5, Bernie Joseph, Eddy Delgado and Joe Lewis, three baseball fans, took off early from their work at Olson's Store and attended the opening baseball game of the Oaks-Seals series at Oakland baseball park. As Bernie and Joe are Oaks supporters, they took advantage of teasing Eddie. The score was Oaks 2, Seals 0.

EASY WAY

Fred Sanchez of Whipple Road once attended quite a few baseball games but now can just sit in his front room with his family and friends and enjoy the games on his television set. Fred claims one can see the game as if seeing it in person.

Speedy recovery to Mr. T. Sanchez on Whipple Road who was rushed to Alameda Hospital Sunday morning.

ROTARY HEARS TALK ON MODERNIZATION

"Depressions breed in dismal business philosophy," according to Frank E. Cox, who spoke to the Niles Rotary Club yesterday. "Pessimism in looking into the future, passive attitudes toward administration of business, and a weak-willed attempt to carry on sales and advertising program permit values to backslide."

The company Cox represents is the largest concern in the field of merchandising store fronts and modern "machines for selling."

John Brahmst was program chairman.

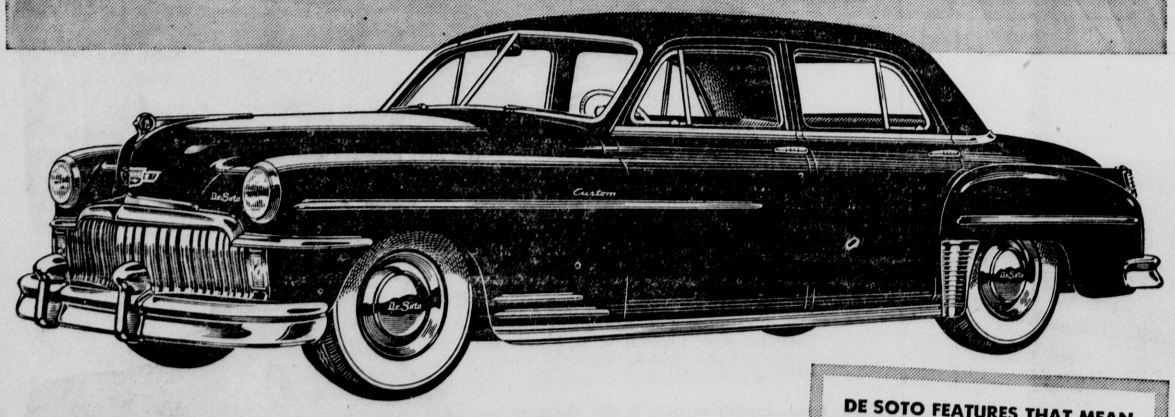
See the new DESOTO before you decide on any other car at any price!


Compare the others with "The Car Designed with YOU in Mind"
You cannot compare the new cars merely by looking at pictures . . . or by watching them on the highway. You've got to get behind the wheel *yourself*.
That's why we urge you to come and see this new De Soto before you decide on *any* other car.
You notice the difference right away. De Soto's doors are wide. You *walk* in . . . and keep your hat on. The steering wheel doesn't hit your knees. You're on chair-high seats, so that you get all the benefit of the larger windows and windshield.
You've got full stretch-out leg room, front and back. And you've got more luggage space in that flush-floor trunk than you ever dreamed of before.
Yes, De Soto is lower. It's got a longer wheelbase (all passengers ride between the axles). But there's no penalty for these advantages. Overall length and breadth are not increased. You needn't rebuild your garage. You can still change a tire. And a dented fender doesn't mean an expensive body repair job.
Let us show you *all* the new features of the car that *lets you drive without shifting*. Compare it for beauty, comfort, safety and value. Then decide.

HUSKIES DROP GAME TO FREMONT

By RALPH JUHL

The Washington Huskies baseball team lost their second league game last Tuesday to the Fremont Indians by the score of 5-2 in an afternoon game played at Sunnyvale.

The Huskies still remained two games out in front of the S.C.V.A.L. due to Los Gatos defeating Santa Clara, 4-2, that afternoon.

Escalera was the winning pitcher for the Indians, striking out 8, walking 6, and allowing but 3 hits to the Huskies.

Gilbert Cicairos was the heavy hitter for the Huskies, getting two of their three hits, a triple and a single.

The losing pitcher for the Huskies was Sabio Elizarrey, who was hurt in the third sliding into second. He suffered a chipped ankle bone and will be out of play for the rest of the season. He was followed by Gene Bramwell, veteran right-hander for the Huskies.

Both pitchers together struck out 9, walked 3, and allowed 5 hits to the Indians.

The Indians started off the first inning with a three-run rally when the first batter walked, moved to second and third on two ground-outs and later scored on a single. With a man on first Yoshimoto, left fielder for the Indians, hit a long homer over left center.

The Huskies scored their only two runs in the fourth inning when Berrios walked and scored on a triple by Cicairos. Then a fly ball by Machado scored Cicairos.

IRVINGTON LEADS FOR LEAGUE TITLE

The Irvington Merchants ball club emerged almost certain victors of the Southern Alameda County Baseball League last Sunday, taking the Ashland Merchants in an easy 14-4 win.

Championship decision will be reached Sunday when the two teams meet again at 12:30 on the Irvington school diamond. A win in this game will give the local team the league title. In the event of a defeat, according to Manager Frank Mayer, a second game will be played the same afternoon to decide the championship.

Last Sunday Irvington took the lead in the first inning, and was never headed. Henry Dutra made the game's one homer; Stanley Roderick and Tony Rivers were each good for a three-bagger; and Roderick, Dutra and Ralph Chapman each made a two-base hit.

HUSKIES DOWN CAMPBELL FOR 9TH LEAGUE WIN

The Washington Huskies won their ninth league ball game last Thursday by defeating the Campbell Buccaneers 3-1 in an afternoon game played at Centerville.

Sabio Elizarrey, freshman pitcher for the Huskies, was the winning pitcher, walking 8, striking out 7, and allowing 2 hits.

Olpham, right-hander from Campbell, was the losing pitcher. He was relieved by Garner, a left-hander, in the sixth inning.

The Huskies scored their first two runs in the third, when Elizarrey walked and was followed by a triple by Raymond Berrios. Then Bramwell walked, putting men on first and third. A ground out by Cicarios scored Berrios for the second run. The Huskies again scored in the fifth.

Campbell's only tally came in the seventh on two walks and a single.

Endorsement of tentative plans by the county sheriff's office for a substation at Centerville was voted Tuesday evening by officers and directors of the Decoto Chamber of Commerce, at a special meeting called for discussion of the subject.

sends out a teacher twice a week to help him with his studies.

If you've ever doubted that those dimes you give once a year during the March of Dimes do any good, just go over to the Fair Ranch Road in Alvarado and visit Henry and his parents. Mrs. Andrade, in gratitude so intense that her voice choked up, said, "Without the Foundation I don't know what we would have done. From the very first—when we thought we were going to lose Henry—through the horrible 40 days when he was in the iron lung and the long three months in the hospital, the Foundation stood by us and took care of the expenses. We would never have been able to get along without their help. They tell us, though," she said regretfully, "that the allotment for this area is running out. They won't be able to do as many things for Henry."

"I wish I had the money," interjected Mr. Andrade wistfully. "I would build an outdoor pool for Henry with a heating plant. I think it would help."

As for Henry himself, he's not saying much about what he wants, or wishes, but a look at those eager eyes with the indomitable spirit lurking there makes one realize that whatever strength there is in human will power, Henry has it, and that somehow, sometime, he will win his battle to regain the use of his arms and legs.

ROUND-UP RANCE

A Round-Up Dance was held in the Parish Hall on Saturday night, following the F.F. A. Round-Up by the Catholic Youth Center. The boys wore jeans and the girls cotton dresses in true western fashion. Sponsors were Mr. and Mrs. Phil Sousa of Oak Street.

A FULL DAY

Mrs. Meredith Rehrig, Mrs. George Reeves of Hayward, and Mrs. Don Wolfe of Centerville visited the kindergarten class of Mrs. Jed Oxborrow in the Niles Elementary School last Thursday morning, after which the ladies had lunch together. At 2 p.m. they attended the fashion show at the high school, which was very good; viewed the lovely flower arrangements in the cafeteria and watched the baseball game for a while. Mr. and Mrs. Reeves had dinner at the Rehrig home and then they all went on to enjoy the Lions Laff show at the school.

FAREWELL LUNCHEON

In honor of Mrs. Jean Simpson, who is leaving Centerville soon for Los Banos where she is to make her home, Mrs. Edward Agna gave a lovely luncheon at her home on Thornton Avenue Tuesday. The table was beautifully set in the bay window with her roses as a colorful centerpiece. Mrs. Agna demonstrated her prowess in cooking by serving delicious home baked beans, beef patties, salad, rolls, ice cream, home made cake and coffee. Those attending were Mrs. Simpson, Mrs. Kenneth Pettibone, Mrs. Gerald Meekins, Mrs. Bill Allen, Mrs. Gerald Rehrig, Larry and David Meekins, baby Joe Allen and Jackie Rehrig.

On Sunday Mr. and Mrs. Erle Hygelund and Mrs. Chris Hygelund took Mrs. Duce and Mrs. Martha Juhl to see the sights of San Francisco and Chinatown. Mrs. Duce enjoyed seeing the Golden Gate Bridge and the Oakland Bay Bridge for the first time. The wonderful day ended with dinner at Fisherman's Wharf.

PRIZE WINNER

Eleven-year-old Diane Hygelund surprised her family Saturday by winning first and second prize with her rabbits at the F.F. A. Round-Up at W.U.H.S. A New Zealand white rabbit walked away with a first prize and one of her babys, which looked just like her, won second prize. Diane was a very happy girl.

Mrs. Frank Marshall of Walnut Creek visited with her sister, Mrs. Frank Souza, over the week-end, while Mr. Marshall attended the Lions convention at Hoberg's. On Sunday, Mother's Day, Mr. and Mrs. Ernest Pimentel and Marilyn took the two ladies on an outing and topped off the day with a lovely dinner at Rickie's across the bay.

SUN VALLEY VACATION

To be eligible for the Presidents' Club there are certain requirements which have to be met, among which is the placing of $250,000 on ordinary insurance. They all had a wonderful time and the food was grand.

There was no snow on the floor of the valley, but going up on the ski lift to an elevation of 9000 feet found plenty of snow for skiing although the weather was warm.

BIG WEEK-END

After the Lions Show Friday evening Mr. and Mrs. Gerald Meekins of Pine Street served a midnight supper to Mr. and Mrs. Jack Kirby and Mr. Kirby's mother, all of San Jose. On Saturday evening the Meekins attended the Shrine Circus in Oakland and were naturally thrilled with the aerial acts.

ALVISO SCHOOL

Mr. Bolton and Mrs. Boone from the extension division of the 4-H advisory group, held a meeting at the school Monday night for interested persons in 4-H Club work. A movie was shown. The meeting was very well attended and another will be held on June 2. Anyone interested in 4-H Club work should make an effort to be there.

REHEARSALS BEGIN

The graduating class of the Alviso School has started rehearsals for its play, which is called "Never a Dull Moment."

SAFETY OF BIKES

Office Wheeler of the Highway Patrol in Hayward lectured at the school on Wednesray on the safe use of bicycles. A movie entitled "You and Your Bicycle" was shown. It is hoped through this program to make the children learn to ride their bikes safely and carefully due to the many highway hazards.

PICNIC IN SANTA CRUZ

The seventh and eighth grade classes enjoyed their day in Santa Cruz. They were escorted by Mr. and Mrs. Joe Luiz, Mr. Nunes, Mr. and Mrs. Anthony Bettencourt, Mrs. Delinda Pimentel and Mrs. Sudbury. They left early in the morning, the weather being in their favor that particular day, and arrived home at 6 p.m. The picnic included all the pleasures of the day, playland, swimming and gamming, an all around good time.

MOTHERS' CLUB PLAY

The next three rehearsals of the Mothers' Club play will take place at Washington High School.

Mrs. Lee Silva, in her role of Mrs. Henrietta Hemmingway, has her problems these days, being burdened with a husband. Mrs. Widemorebunch, played by Mrs. June Olsen, is the thinest thing in town. The twins with their movieland ambitions, Leanalott and Fatima, are portrayed by Mrs. Fantuzzi and Mrs. Mary Mello. Mrs. Clarabell Hummingbird, the wife of a song writer or so called, is played by Mrs. Mary Nunes. Between plays there will be an intermission and skits will be put on. Mrs. Olsen and Mrs. Anita Orsetti will do a comedy dance houtine.

A Portuguese skit will be put on by Mrs. Delinda Pimentel and Mrs. Jean Bettencourt. Also there will be a tap dance routine.

The Portuguese play, "Un Amor Engasado," is going along nicely, according to program schedule.

Ticket sales are progressing rapidly. The date for these two plays again is Friday evening, Many 27, at 8:00 p.m., at the Washington High School auditorium.

GIRL SCOUT NEWS

The Girl Scout mothers of Troop 66 met at the Centerville Grammar School for the purpose of completing plans for the rest of the semester. Plans were made for the Girl Scouts to go on an excursion to San Francisco on June 21. Mr. Tom Maloney has kindly offered his assistance in driving the school bus for the girls.

The time of meeting has been changed from 1:30 p.m. to 2 p.m. every second Tuesday of the month. Since this was the last meeting for the semester, the next will be on September 13. It was decided that this troop meet once a month during the summer vacation. The girls of this troop are working on folk dance badges. Mothers were instructed as to how they could help these girls.

Two new girls and mothers have been added to the troop, which brings the membership up to 25. No more memberships will be accepted as the troop is closed. Also planned is an investure ceremony for the new girls which will be held on May 23. The girls to be invested on that day are Rosemary Kommes, Alberta Abreu, Doris Suhnel, Patty Burney, Aileen Pierce, Beverly Lopes, Elaine Thornbury, Valeria Correa and Novalene Scott. The new mothers are Mrs. Harry Scott, Mrs. Dwight Thornburg and Mrs. Emanuel DeCorrea.

Mrs. Tom Maloney reported there are hopes of getting leaders to start a Brownie Troop in the fall.

Mrs. Geraldine Rogers, program consultant to Hayward Area Council for this area, was a guest at this meeting. She was presented with a Girl Scout pin in recognition of the fine work she has been doing, by Leader Lydia Orsetti.

Mrs. Irene Bales and Mrs. Mary Bettencourt were in charge of the refreshments which were served.
